Vineyard/Soils

Our village wine, Tubilla del Lago. Grapes from 100 year old vines, grown on 24 plots.

The vines are globet style, planted on the solpes of the Tierra de Cervera, in Tubilla del Lago with unique geomorphological and climatological conditions.

Production from these vines is less than 4,000 kilos per hectare. The soils are very mixed, clayey, sandy, limestone and stony, well drained, over 900 meters altitude.

Organic vineyards. Manual harvest in boxes.

Winemaking

Grapes selected on the vines, early harvest and fermentation in concrete vats. Gentle maceration for 8 days to preserve and accentuate the character of the grapes.

Very low sulphite content.

Aging

12 months in French oak barrels, then blended and 6 months aged in concrete vats.

Bottling

Not cold stabilized.

Production

10,847 bottles 75 cl and 116 magnums (1.5 L)

Alcohol

14,0% Vol.

Total Acidity

4,98 g/l

TASTING NOTES

Rubi red. Clean and bright color with medium intensity.

Nose: Red fruit aromas with violet notes and other white flowers; spicy hints and a clear mineral background reminiscent of talc.

Palate: Vibrant thanks to its blanced natural acidity and freshnnes. Good structure with juicy fruit and spicy nuances that leave a smooth, lingering finish.
